

2022 Phoenix Grant Application

Phoenix Foundation of the Boundary Communities Grants are a quick turn-around, high impact, low stress, grants for organizations with initiatives and projects in the Boundary Communities of **Bridesville, Big White, Carmi, Westbridge, Beaverdell, Christian Valley, Rock Creek, Kettle Valley, Midway, Greenwood, Grand Forks and Christina Lake**. Grants can be one-year or multi-year based on the project or initiative. Your organization qualifies for this if your project or initiative relates to the categories listed below and works to seek out root causes to local problems rather than dealing with symptoms in the following categories:

- Animal Welfare – to support services that advance the welfare of large and small animals.
- Arts & Culture – to assist and promote the arts and cultural activities including, without limitations, theatre, dance, literature, film and video, music, painting and sculpture.
- Children, Youth and Families – to ensure that there is a healthy supportive environment in which children, youth and families of the Boundary region can flourish.
- Community Health – to support and advance the provisions of health services by helping to overcome barriers to community health.
- Seniors – to create a supportive environment for seniors and those with special needs.
- Health & Welfare – to support social services to advance the welfare of people in need and to alleviate human suffering and poverty.
- Libraries and Education – to advance community education through the establishment of scholarship funds and the funding of specific educational endeavors.
- Social Justice – to support and advance other community activities or facilities of a charitable nature.

Take the eligibility quiz to see if your organization qualifies or reach out to us with any questions.

Please provide a brief description of the project or program that is the subject of this grant application.

The Phoenix Foundation supports a broad range of projects that offer various services to the Boundary. It also seeks an 'upstream' approach to community challenges with creative and innovative projects. What long and or short-term impact will your proposed project have on the Boundary?

Phoenix Foundation of the Boundary Communities is interested in hearing about your overall work and lessons learned during the past year. What would you like us to know about your work and what has happened in your organization over the past year?

The Phoenix Foundation of the Boundary Communities strives to support our local communities and encourages successful grantees to shop within their local community whenever possible. What are the budget expectations for your project/initiative? How would receiving a grant from the Phoenix Foundation impact *your* organization? How could the Phoenix Foundation help support you beyond the cheque?
